School of Engineering
Dirk Wilhelm
Deputy: Jürg Meier

School Administration

Academic Programmes
- Thomas Järmann

MEA Mechanical Engineering, Energy Technology and Aviation
- Jürg Meier
  - IMPE Institute of Materials and Process Engineering
  - IMES Institute of Mechanical Systems
  - IEFE Institute of Energy Systems and Fluid Engineering
  - ZAV Centre for Aviation
  - ZPP Centre for Product and Process Development

IEM Information Technology, Electrical Engineering and Mechatronics
- Roland Büchi
  - InES Institute of Embedded Systems
  - InIT Institute of Applied Information Technology
  - IMS Institute of Mechatronic Systems
  - ISC Institute of Signal Processing and Wireless Communications

MPS Applied Mathematics, Physics, Systems and Operations
- Peter Flohr
  - IDP Institute of Data Analysis and Process Design
  - ICP Institute of Computational Physics
  - INE Institute of Sustainable Development
  - IAMP Institute of Applied Mathematics and Physics

Resources and Services
- Marc Chaperon

effective 01 April 2020
